archshaders vol. 1

2008

Almost all of us sometimes have that feeling of irritation after many hours working on perfect shaders. Water is too dry, glass is too dull and the leather looks much more like coffee. Now you can forget about it! We would like to present you new

library of 1150 professional shaders with about 500 textures. You will find here everything you need. Bricks, glass, wooden floor, stone paving and much more. With Archshaders you will be able to build scenes faster than before. Just pick and use.
